

REMARKS

INTRODUCTION

In accordance with the foregoing, claims 11, 12 and 16 have been amended. Claims 13 and 19 have been cancelled. Claims 1, 2, 5-7, 11, 12 and 16-18 are pending and under consideration.

CLAIM REJECTIONS – 112

Claims 11-13 and 16-18 were rejected under 35 USC 112, second paragraph, as being based on a disclosure that is not enabling. Claims 11-13 and 16-18 were further rejected under 35 USC 112, second paragraph, as failing to set forth the subject matter which applicants regard as their invention.

Independent claims 11 and 16 have been amended to properly define “main title” as suggested in the Office Action. It is respectfully submitted that in their present form, claims 11 and 16 comply with 35 USC 112 and are now in a condition for allowance.

Claim 13 has been cancelled. Claims 12, 17 and 18 depend on one of claims 11 and 16, respectively, and are therefore believed to be allowable for at least the foregoing reasons.

Withdrawal of the foregoing rejections is requested.

ALLOWABLE SUBJECT MATTER

The Applicant acknowledges with appreciation that claims 1, 2 and 5-7 have been allowed and claim 19 has been found to contain allowable subject matter. The allowable subject matter of claim 19 has been incorporated into its base claim and claim 19 has been cancelled.

CONCLUSION

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
